### **OUR MISSION**

The mission of the Essex Regional Educational Services Commission is to build meaningful partnerships with school districts to provide quality educational and administrative services in a cost effective and efficient manner to meet the needs of its students. We believe in the worth and dignity of each student and endeavor to help them grow to their fullest potential. We strive to enhance students' learning by providing them with strategies and skills in an atmosphere that fosters creativity and positivism, which will enable them to become independent thinkers and learners.
