

R 2340 FIELD TRIPS

A. Definition

A "field trip" is any journey by a group of pupils away from the school premises that has been duly approved in accordance with Policy No. 2340. A school sponsored trip taken by pupils as part of a co-curricular activity or a class trip is not a field trip and is governed instead by Regulation No. 5850.

B. Approval of Trips

1. A list of field trips considered appropriate for each grade level or subject area will be prepared cooperatively by teaching staff members and approved by the Superintendent. The approved list will be reviewed annually for additions, deletions, and revisions and will be distributed to teachers as a suggested guideline. In addition, the curriculum guide for a specific course of study may include suggested field trips.
2. To ensure the equitable allocation of budgeted field trip funds, each teacher shall submit a list of proposed field trips to the Superintendent at the beginning of the school year. The acceptance of the list does not constitute approval of any specific field trip on the list or of the number of field trips proposed by a teacher.
3. A teacher shall request approval of a specific field trip by submitting a written application to the Superintendent no less than ten working days prior to the date of the anticipated trip. Field trip application forms are available in the office of the Superintendent.
4. The field trip application will include:
  - a. Proposed date of the trip (which should be checked in advance against the school calendar) and any alternate date(s);
  - b. The proposed destination and, if the destination is not generally known, its description and the reason it is selected by the teacher;

- c. The relationship of the trip to curriculum goals and objectives;
  - d. The location of the destination and the route that will be taken to it;
  - e. Transportation arrangements, the estimated cost of transportation, and the provision of safe and adequate loading and unloading areas for bus-borne pupils;
  - f. The time of departure and the estimated time of return to the school;
  - g. Provisions for emergency and sanitation facilities;
  - h. Admission fees and tolls, if any; and
  - i. Provisions for meals, if any are required.
5. The Superintendent may deny a field trip request when:
- a. The application is incomplete;
  - b. The anticipated cost is excessive;
  - c. The proposed trip bears insufficient relationship to the curriculum;
  - d. The pupils involved will have been taken from the class for the trip and other activities for an excessive amount of time;
  - e. The trip conflicts with other scheduled events or with other demands on school buses;
  - f. The class has exceeded its equitable allocation of field trips;
  - g. The trip will occur during an exam period or immediately before the end of a marking period; or
  - h. The destination and trip activity are inappropriate choices for pupils of the age and maturity typical of the class.

6. A request for an overnight field trip must receive the preliminary approval of the Superintendent before it is submitted to the Board of Directors for final approval.
7. The teacher will be given written approval or denial of the teacher's request for a field trip. A denial of approval will include the reason(s) for the denial.

C. Planning and Preparation

1. Each teacher who plans a field trip should take the following preliminary steps:
  - a. Determine that the proposed trip is the best method available for achieving the desired learning outcomes. Consult the list of approved field trip destinations for alternatives;

  - (5) Rules of conduct and expected behaviors, both at the trip destination and in transit to and from the destination.

- e. Submit to the Principal a request for Chaperones, who may be other teaching staff members or volunteer parent(s) or legal guardian(s), and apprise them of their responsibilities (see ¶D below).

- f. If unfamiliar with trip destination, make a reasonable effort to visit the premises outside of school hours to become acquainted with points of interest, special features, potential problem areas, and the food and restroom accommodations.
  - g. Notify other teachers or departments, as appropriate, of the nature of the field trip and the pupils involved in the trips:
    - (1) To permit other teachers to plan for the absences; and
    - (2) To encourage other teachers to incorporate the field trip experience in their lesson plans.
  - h. Notify the cafeteria manager, no later than two working days in advance, of the number of pupils who will miss lunch on the day of the field trip.
  - i. Prepare a roster of pupils who will participate in the field trip.
  - j. Make alternate educational arrangements for any pupils who will not participate in the field trip.
  - k. Ascertain whether any pupil participating in the field trip will or may require medication in the course of the trip and arrange for the presence of the school nurse, a registered nurse, or the pupil's parent(s) or legal guardian(s) to administer the medication, except where pupils are allowed to self administer medication under statutory authority. If none can be present, report the matter to the Principal who may deny the pupil's participation.
3. On the day of the field trip, the teacher will:
- a. If the weather is inclement and the trip is to take place out of doors or involves transportation that might be made hazardous by the weather.

- (1) Check with the Principal who may determine to cancel or postpone the trip.

Only in exceptional circumstances, approved in advance by the Principal, or in an emergency, may pupils be taken from the destination by means other than those arranged by the teacher.
  - h. If the trip will bring pupils back to school after the end of the school day, ascertain that the Principal will remain on the premises until the pupils' return or has appointed an emergency coordinator to remain on school premises. Plan to stay at the school or assign a chaperone to stay at the school until the last pupil has been picked up or has departed for home by his/her regular transportation.

D. Chaperones

1. The teacher in charge of the trip is responsible for requesting and training chaperones. Chaperones should be persons known to the teacher to be responsible, dependable, and comfortable with children of the pupils' age and maturity.
2. The Board will pay the expenses of chaperones to the extent that the expenses of pupils and teachers are paid.
3. Chaperones will be assigned a specific group of pupils and are accountable for the welfare of those pupils. Pupils must not be left unattended; if the chaperone must briefly leave his/her assigned pupils, the chaperone should ask the teacher or another chaperone to take his/her place for the absence.
4. Smoking and the use of alcohol or drugs or the possession of weapons is prohibited for both pupils and chaperones.
